

## CERTIFICATE OF WARRANTY

### FINISHING BUILDING PRODUCTS

This letter certifies that Panel Rey® warrants all of its different brands of Finishing Building Products to be of consistent quality and free from any defects. The products meet or exceed market standards and ASTM C-475 specifications.

This warranty applies when goods have been used in jointing and finishing drywall systems in accordance with the building industry requirements. When our joint compounds are used according to manufacturing standards you will have no problems or defects. Panel Rey® does not warranty bonding properties when other brands of joint compound or paper tape are used.
